

Vermont Secondary College Champions global social justice program

Friday 22 May 2009

At 8.35 am today, a 40' shipping container donated by APL was received by Vermont Secondary College. The children, staff and community at the school, working with medical experts will purpose build this as the very first container by "Global Shipment" in support of the Rock Your Life/SAGE - Global Village Development program in India.

The container will be on display at Federation Square from the 11th - 25th August as a feature in the Windows of the World 2009 exhibition.

Vermont Secondary College is excited to be working with Global Dialogue Foundation, Bumblebee Enterprises, Rock Your Life and SAGE Foundation in developing social justice initiatives on a global level.
