Do One Thing for Diversity and Inclusion - 2013

Strengthening The Voice Of Civil Society - Webinar

For the 21st May 2013, World Day for Cultural Diversity, for Dialogue & Development, Global Dialogue Foundation hosted a webinar in support of civil society organisations strengthening their role in the field of cultural diversity, intercultural understanding and building inclusive societies.

The 90-minute webinar was attended by organizations from around the world, including Algeria, Australia, Austria, France, India, Macedonia and Tunisia. Participants explored possibilities around becoming a partner in the United Nations Alliance of Civilizations Civil Society Country Chapter program, shared successes, asked questions, and inspired their peers.

Without doubt, the mission to increase understanding between people from different cultural and religious backgrounds is one of the most promising movements in the world today.

The "Do One Thing For Diversity and Inclusion" campaign is spearheaded by the United Nations Alliance of Civilizations, in partnership with UNESCO and many organisations around the world.
