

GDF workshop: The Vision of United Civilizations, at the UN DPI/NGO Conference - New York

22nd August 2018

GDF representatives from India, Germany, U.S.A. and Australia will participate at the [67th UN NGO/DPI Conference](#) - the premier NGO conference held at the United Nations. The conference is expected to bring together more than 2000 people from around the world. The theme being, "We the Peoples: Together Finding Global Solutions for Global Problems".

As part of the conference, GDF will conduct a workshop on "The Vision of United Civilizations"

Date: Thursday 23rd August,

Time: 15:00 – 16:15 p.m.

Where: Conference Room 12, Conference Building

This workshop will call for all conference participants to come together under one umbrella - a global citizen's assembly as the main body of the United Civilization (UC). The objective of the UC is to organize communities to create a global inclusive society and culture of peace, i.e., to address the needs of communities and help improve living conditions around the world unconditionally, while collaborating with and uniting existing resources and efforts from all other society groups – governmental, administrative, religious, business, educational, media etc., aligned with the UN's sustainable development agenda.

During the workshop, participants will brainstorm the establishing of the global citizen's assembly, discuss the different possibilities for cooperation and establishing monthly meetings in each country, that will bring members of all societies together either in person and/or online.

If you happen to be at the conference, come and join us!

Yours sincerely,
