

The Water is Open!

It is that time of year again for World Ocean Day - June 8th. This year, we are trying to bring together the "Oceanic Big 5" for a global cleanup effort. The Big 5, in our case, are the top five sports users of the ocean - Surfers, Paddlers, Sailors, Swimmers and Divers.

June 8th is World Ocean Day, and flyers are on our site under the video. Each club can do its own thing... on the 5th or 6th of June. If they can raise money too, then 50% could go to their local charity of choice, and 50% to Project Kaisei for our global ocean efforts. Please spread the word, globally, to clubs you know, for any of these sports.
