BEAUTIFUL EXAMPLE OF ECUMENISM

A response to: [Orthodox, Catholics Share Parish Church](#)

What a beautiful example of ecumenism. I feel very much moved by the concrete gesture of Christian solidarity and brotherhood that these two communities had made. It evoked a similar experience I had in the Middle East about a decade ago, where different communities of different Christian traditions share a parish church to praise God in their own varied but equally rich apostolic traditions. We pray that more and more of this event will spread like a wild fire among Christian communities of different traditions, then, we can also have a true moral standing to dialogue with other religions.
