Introduction

The Methodist Church is the fourth largest Christian Church in Britain, after the Anglican and Roman Catholic Churches and the Church of Scotland. It has more than six thousand churches and a total membership of approximately 330 000 people. There are Methodist Churches in nearly every country in the world and global membership numbers some 70 million people.

The Methodist Church is traditionally known as non-conformist because it does not conform to the rules and authority of the established Church of England.
