## **Unity in Diversity Clubs - Cameroon**

31st January 2021

The Unity in Diversity Club/GBHS Mendong/Cameroun is pleased to celebrate together with the global community of "Unity in Diversity" the first day of "Love and Oneness".

They celebrated it with enthusiasm with a bilingual round table, English and French, where everyone presented his point of view on "love and oneness".

That theme was particularly appreciated by the Principal of the Government Bilingual High School(GBHS) of Mendong
