PRESS RELEASE

Celebration of Celebrations

Saturday, 19th September, 1pm to sunset

Windows of the World at Federation Square

Windows of the World, inspired by the Changing the Dream Symposium showcases leading projects creating sustainability, social justice and community connection.

The event will celebrate UN International Day of Peace, Jewish New Year, Muslim Eid, Indian Diwali and other community, cultural and religious festivities. We welcome all communities to be involved in the day's events.

The day includes: Art for Food - a fast-paced painting competition between 30 professional Melbourne artists, supporting VicRelief Foodbank (food distribution to Melbourne's poor).

Refugee communities will be showcasing culture through song, dance and craft. The Federation of Indian Associations of Victoria are presenting a Bollywood dance troop to celebrate Diwali and to conclude our day. There will be henna painting, Bollywood workshops and more.

Rabbi Jonathan Keren-Black from Leo Baeck Centre will be leading the Jewish presentation to celebrate and share in the Jewish New Year. Youth from the Sudanese, Somalian and Fijian communities will be offering cultural presentations.

The event will highlight and celebrate leading projects developing sustainability and community capacity, including project Global Shipment. See two vibrantly decorated containers prepared by Melbourne students, in support of communities in India on display.

Windows of the World is supported by The Pachamama Alliance, APL Shipping Lines, WCA Family of Logistic Networks, Global Dialogue Foundation, Bumblebee Creative Social Enterprises, Be The Change, Eltham Primary School, Vermont Secondary College and Federation Square.

Everyone is invited! Come and enjoy yourselves. Be inspired! Have fun! See the best of the world at work!
